## **UDOT to Close I-15 Access from Westbound US-6 April 1**

### *Crews to Conduct Drainage Work for New Interchange in Spanish Fork*

**WHAT:** Construction teams on UDOT's Utah County I-15 Corridor Expansion (I-15 CORE) are scheduled to close both northbound and southbound ramps to I-15 from westbound U.S. 6 in Spanish Fork the night of Friday, April 1. Crews will be conducting drainage work in the area for the new interchange.

Motorists will be detoured from U.S. 6 to Chappel Dr. to 1000 North to Spanish Fork Main to reconnect with northbound and southbound I-15. Drivers can expect possible increased congestion on the detour local roads.

The I-15/U.S. 6 interchange is one of 10 freeway interchanges being rebuilt or reconfigured as part of the I-15 CORE project. The 24-mile freeway reconstruction project is scheduled for completion in December 2012.

**WHEN:** Friday, April 1, 10 p.m. to Saturday, April 2, 7:30 a.m.

**WHERE:** Westbound US-6 to northbound and southbound I-15, Spanish Fork
